

Nick Jenvey

User Experience & User Interface Designer

604-657-0627 / nick@nickjenvey.com / www.nickjenvey.com

Profile

I am a digital product and user experience designer with an ambition to improve the lives of others through design. Solving problems while creating memorable and meaningful experiences.

Experience

UX Designer — July 2022 – May 2023

[Kabam](#) / Vancouver, Canada

- Defined strategic goals for features, leading to higher user engagement.
- Streamlined onboarding through user flows and wireframes, reducing friction.
- Improved app ratings through comprehensive usability testing.
- Facilitated stakeholder discussions to expedite decision-making processes.

UI Designer — October 2021 – July 2022

[Coast Capital Savings](#) / Vancouver, Canada

- Presented designs to stakeholders, peers, and leadership, ensuring alignment.
- Established design guidelines for consistent branding across channels.
- Incorporated user feedback, creating more user-centric designs.
- Collaborated with product, design, and development teams for effective solutions.

UX/UI Designer — October 2019 – October 2021

[Sprung Studios](#) / Vancouver, Canada

- Contributed to ideation sessions, fostering a collaborative environment.
 - Validated designs through research and analysis, ensuring user-centricity.
 - Created user flows and low-fidelity wireframes, refining designs with feedback.
 - Presented and iterated designs based on client interactions.
-
